## Preparatory School.

A Preparatory School is maintained, which gives preparations for the courses in General Science, Liberal Arts, Engineering, Medicine, Business, etc.  
One year of high school work is necessary for admission to the preparatory school.

The greatest Universities of America and Europe are represented in the Faculty. The University Library is the largest and best in the State. The shops and laboratories are unsurpassed in the completeness of their equipment. The proximity of great mines, reduction works of various kinds, and power houses for the generation of electricity, afford excellent advantages for thorough and practical work in all the engineering courses. The undergraduate work offered is as thorough and complete as can be obtained anywhere. No tuition is charged, but an annual registration fee of \$10 is required. Registration of students, September 14th and 15th. Instruction begins September 17th. Students are assisted in finding suitable boarding places. The catalog is sent free upon request. Correspondence is invited.
